WP(C) NO. 18825 OF 2007 - N

The petitioner applied for variation of his regular permit. The R.T.A., Thrissur by Ext.P2 proceedings granted the variation applied for subject to settlement of timings. The complaint of the petitioner is that the respondent is not convening timing conference for settling the timings and issuing the permit.

2. I have heard the learned Government Pleader also.

3. Considering the facts and circumstances of the case, there would be a direction to the respondent to convene timing conference and settle the timings so as to issue permit to the petitioner, as expeditiously as possible, at any rate within a period of six weeks from the date of receipt of a copy of this judgment,after hearing all persons who are likely to be affected by such settlement of timings.

The writ petition is disposed of as above.
